

## Subject: Datasheet: Dazzle – 13A Switched Socket Outlets

---

### Features:

- Made of top grade Polycarbonate materials when installed in harsh conditions.
- Captive screws on terminals for ease of installation and avoid screws getting lost.
- Dual Earth Terminal for high integrity earthing.
- Extra large wiring terminals for easy connections.
- Quality Component material guarantees first-rate electrical performance.
- Safety Shutter for higher safety.
- Optional neon indicators in the switch rocker.

HB813S

### Standards and Approvals:

- BS 1363 Part 2: 1995
- SS 145 Part 2: 1997

### Specification:

- Rated Voltage: 250V A.C. 50/60Hz
- Rated Current: 13A per socket outlet.
- Operating Temperature: -5oC to 40oC
- IP Rating: IP2X
- Dimensions:
  - 86×86 mm (Single Socket)
  - 86×146mm (Twin Socket)
- Screw Fix Center :

HB813SD

## T&J ELECTRIC (SINGAPORE) PTE LTD

Company Registration No: 200205797Z  
10 Ubi Crescent, #02-24, Ubi Techpark, Singapore 408564  
Telephone: +65 6547-4333 Fax: +65 6547-4666

60.3 mm (Single Socket)

120.6mm (Twin Socket)

- Screw :  
M3.5 x 18 mm
- Terminal Capacity:
- Mounting Box:  
25mm Depth

### Order Information

HB813S : 13A switched socket outlet

HB813SL : 13A switched socket outlet with neon

HB813SD : Twin 13A switched socket outlet

*Available colors: White*
